

HOPAC BUS INFORMATION

Dear Parents

- Please be aware that if you are more than 3 minutes late to pick up your child/children the bus will continue along the route and will not drop your child/children at their drop off point. You are expected to follow the bus route to pick up your child/children at one of the following stops. This is a safety measure, we will not leave your child/children at their designated drop off point by themselves if they are expecting to be picked up. We therefore encourage you to be on time.
- Please provide the school with the name and contact number of the person who will be picking up your child from the bus stop. If this should change please inform the school/bus supervisor as soon as possible.
- If your child/children will not be being picked up by an adult then please inform the school office (0786 845135).

Please complete the form below and return it the school office as soon as possible.
