### Middle School Career Seminars - Looking for Speakers!

For the past few years, Middle school students have explored career options through attending seminars here at school and through visiting a parent's place of work. This year, the seminars will be the afternoon of Monday, June 18 and we are looking for speakers! (FYI, Take Your Child to Work Day will be Tuesday, June 19.)

The time is from 12:45 to 2:25, with three thirty-minute sessions (the same presentation - once, twice, or three times depending on your availability and student interest). It would be great to have a variety of options for students to choose from. Speakers should be engaging and passionate about their own profession, be able to explain what exactly they do all day, talk about the education needed or a usual career track, perhaps bring visual or physical display items, and be willing to answer lots of questions!

Would you please let Carley Mwenda ([cmwenda@hopac.net](mailto:cmwenda@hopac.net)) know if (1) you would be willing to either participate yourself as a seminar speaker or (2) have someone you would recommend? Mrs. Mwenda will happily provide more information or contact anyone you suggest.

We are looking for all professions! From architect to zoologist and everything in between!
